## SUMMER 2007 DAYS OF BEAUTY

Bennie Scarton Jr. /News & Messenger

Dr. George Bitar hosted a "Summer 2007 Days of Beauty" recently at his office at Prince William Hospital, 8650 Sudley Road, Suite 203, Manassas. He offered refreshments, demonstrations and a reduction in skin care products and services as well as Botox. He also announced that his Web site has been given a new facelift and that he was featured in the June 2007 issue of the national Cosmetic Surgery Times magazine as the National Man of the Year 2006 for his benefit work with the Leukemia and Lymphoma Society. Bitar added that he plans to continue his community fundraising projects in the area.

## Congratulations

Both city school districts experienced setbacks from the previous year. Last year, all but two Manassas schools made adequate yearly progress toward meeting

... technology, called this year's results "bitter sweet news." "We're certainly delighted that three out of our four schools, including our Title I School made AYP, and we're disappointed that one of them didn't," he said.

Manassas Park Middle

... on the results Thursday. Statewide, 467 schools failed to make AYP this year. School officials locally and throughout the state explained that as the federal standards get tougher, some schools will have a harder time meeting them.
