Dr. George J. Bitar, F.A.C.S., is a fellowship-trained, board-certified plastic surgeon and medical director of the Bitar Cosmetic Surgery Institute. As an accomplished artist and an innovative expert in the field of aesthetic surgery, he has performed over 5,000 cosmetic facial, rhinoplasty, breast and body surgeries.

Dr. Bitar has been featured as a cosmetic surgery expert on various television and radio programs, lectured extensively and authored peer-reviewed plastic surgery articles, plus chapters in plastic surgery textbooks, and is currently co-authoring a textbook on neck-lift surgery.

An assistant clinical professor at the George Washington University of Medicine and Health Sciences and a visiting lecturer at the University of Virginia, Dr. Bitar also teaches plastic surgery residents at Inova Fairfax Hospital, where he operates.

Dr. Bitar is a member of the American Society of Aesthetic Plastic Surgery and has been named a "Top Doctor" by Castle-Connolly, Washingtonian & Northern Virginia Magazine as well as a "Top Plastic Surgeon" by Northern Virginia Magazine, Health & Beauty Magazine and the Consumers' Research Council of America. He was also named among the top plastic surgeons in America by US Airways & Hemispheres Magazines.
